Budget Note

This is a foreword to the Budget of KAU for the FY 2022-23 comprising the revision effected to the budget estimates for the FY 2021-22 and intending to provide a brief detail on the financial background proposed methodology and expected performance in the current situation from the users.

The Non Plan Grant in aid allocated to KAU for the FY 2020-21 is Rs.337.0059 crore, which is 10% less than 2019-20 allocation of Rs.374.451 crore. The Non Plan Grant in aid to KAU for the FY 2021-22 is 370.7100 crore, which is less than the 2019-20 Non Plan Grant allocation to KAU. This is the main cause KAU has been experiencing and resulted in to cater the inevitable non-plan requirements of the beneficiaries.

As per UGC guidelines, KAU is liable for filling the faculty section for the smooth running of Colleges and filling up of posts of teaching category, which had already been completed in a time bound manner. Almost all the vacancies in the cadre of Assistants, Computer Assistants and Office Attendants have already been filled by KPSC recruitment. The Casual labourer recruitment were completed in most of the stations under KAU for the smooth conduct of farm activities.

In the State Budget 2022 -23, the Plan fund allocated to KAU for the FY 2022 -23 is Rs.75.00 Crore. Since 2019-20 Plan fund released to KAU has been resumed by the concerned treasuries at the end of the respective financial year without prior notice. The resumed fund shall be released in the succeeding financial year by re-allocating the current financial year's plan provision. This instance resulted to shrink the acutal budget provision envisaged for the current period and also had adversely affected the Research, Extension and Infrastructural Development activities of KAU.

Along with Agri Education, Research and extension activities, KAU has the mandate for the development of "Agriculture" including generation of quality human resource through various academic programmes, Improved crop varieties and technology through R&D and Dissemination and Transfer of Technologies through Agricultural Extension and Science-based policy support for Govt decision making. Therefore, its jurisdiction is spread all over the state of Kerala.

As per the Govt order, KAU has implemented 2016 UGC pay revision to the teaching category. The 11th pay/pension revision has also been implemented in KAU to the Employees, Pensioners and Family pensioners in accordance with the Government directions and orders. The State Government has revised the rates of Dearness Allowance/ Dearness relief to the Employees and Pensioners and directed to pay the revised rate of Dearness Allowance due from 01.01.2019 to 01.07.2020 in cash along with the salary of March 2021 and arrears up to February 2021 which will be merged to the PF account. It was also directed that the revised Dearness Relief due from 01.01.2019 to 01.07.2020 will be paid in cash along with the pension of April 2021 and the arrears of D.R shall be paid in cash in four equal instalments in

2021. These are the main causes KAU has been experiencing and the current non plan grant outlay is not sufficient to meet the non-plan expenditures of KAU.

In the last two financial years, we faced a shortfall in the internal revenue due to the impact of Covid 19 pandemic. The internal revenue growth rate is expected to be positive during the current FY in view of withdraw of restrictions due to the resurgence of Covid 19 pandemic.

As a Grant in aid institution, KAU abide the rules and regulation for fixing the fee structure and sale price of farm proceeds , which are the main source of internal revenue generating components of KAU. The current direction of the govt in respect of pension fund formation may leads KAU for taking strong measures to enhance the internal revenue in a large scale in the coming years.

In state budget 2022-23, Kerala Government has announced non plan budget outlay of Rs. 407.781 Crore to KAU against the demand of Rs.625.84 Crores as per non plan fixation of grants. This may result University has to be adopted stringent cost cutting measures under non plan space during the FY 2022-23.

In view of the financial constraints in front, all Drawing and Disbursing officers have to ensure that to incur the expenditure under non plan space in a stringent manner such as to avoid unnecessary expenditures and also to ensure that the receipts/expenditures are accounted properly and timely in the University Functional Accountability System (UFAST). The DDO and PI of the Revolving Fund scheme will be responsible for the operation of each R.F scheme economically & profitably according to the guidelines issued by the University from time to time and to build up the scheme in a self -sustaining mode. It must be ensured that transfer of excess fund from R.F account to the Comptroller's account in every financial year as per the financial guidelines for the operation of R.F account so as to extricate the University from the existing financial constraints due to the non-plan grant insufficiency.

The Finance Wing with the cooperation of Kerala State Audit Department has to ensure that the Audited Utilization certificates of Externally Aided Projects (EAPs) are to be forwarded to funding agency for approval within three months after the completion of the projects. For this an attempt on the part of Internal Audit Wing to clear the pending of accumulated audit paras has to be initiated. The orchestrated efforts of these wings will become more helpful and beneficial to KAU. CeG Wing has helped the UFAST users by providing more reports being customised and in the form of easily retrievable data and we will try to bring about changes/directions from time to time for easy accounting.

A NOTE ON BUDGET CODES

In order to gather information for Planning and policy setting, the estimates are formulated in a different format by making use of the computer facility. Under this system, all the items of expenditure and receipts are codified on functional basis. Each station/unit is given a code, each function (ie. Education, Research etc.) is having a code besides project-wise code and code for detailed head. The first code is Station code, the second code denotes major head of account, the third code denotes the minor head of account and the fourth code denotes detailed head of account.

For eg:- 101-10-00025-130

101 University Headquarters (Station Code)
 10 Management and Administration (Major head of account)
 0025 General Administration (Minor head)
 130 Administration and General Service Salary (Detailed head)

202-21-00001-110

202 College of Agriculture (Station Code)
 21 Agricultural Education (Major head)
 0001 Academic Programme (Minor head) 110 Scientists Salary (Detailed head)

342-31-00035-120

342 RARS Pattambi (Station Code)
 31 Agricultural Research (Major head)
 0035 NARP Phase I (Minor head)
 120 Tech. & Supporting Staff Salary (Detailed head)

The major heads adopted are :

10 - Administration; 11- Suspense; 20 to 29 - Education; 30 to 39 - Research;
 40 to 49 - Extension; 50 to 59 - Engineering Wing; 60 - Estate ; 65 – Revolving Fund

The second digit in the major head of account depicts the major discipline-wise activities under one function. For eg. 21 - Agricultural Education, 22 - Co-operation & Banking Education, 23 - Forestry Education, 24 - Agricultural Engineering Education, 25 - Fishery Education, 26 - Veterinary Education. Similarly 31 for Agricultural Research, 32 for Co-operation & Banking Research, 36 for Veterinary Research and so on.
